EDUCATION

San Jose State University, San Jose, CA – *Bachelor of Fine Arts in Digital Media Art*

August 2019– May 2023

During my time studying at San Jose State University, I learned and found a way to find balance and prioritize my most important interests in my life. Not only did I learn more on how to work as a team and improve my communication skills, but also improved my skills in creating Digital Art and being consistent with my work. I got exposed to working in many different computer software, from Adobe apps, Blender, Arduino, Fusion 360 and many more. I learned website development and design coding in HTML and CSS. Through different experiences from creating interactive, physical, and virtual art helped clear my mind to know what kind of artist I want to be, which is a multidisciplinary environmental installation artist.

Gavilan Community College, Gilroy, CA – *Associate's Degree in Studio Art Practice*

August 2014 – May 2019, Gilroy, CA

Acquired skills in photography, writing, ceramics, and drawing in 2-D and 3-D.

Live Oak High School, Morgan Hill, CA – *High School Diploma*
